Born: Nov. 21, 1986

Cartographer, GIS and social scientist.

Professional experience

Sept. 2015	**Postdoctoral research** at the *Department of Geography*, University of California, Berkeley, United States.
Sept. 2009 > Nov. 2014	**Doctoral research** at *Chôros Laboratory*, EPFL, Lausanne, Switzerland. My Ph.D. dissertation raises the question of the transforming of the World into a society and the role of Internet in the upscaling of the legitimate space of politics.
Sept. 2009 > Nov. 2014	**Member of the Cartographic Center** at *Chôros Laboratory*, EPFL, Lausanne, Switzerland. I was part of a team dedicated to the production and publication of maps in scientific journals and newspapers adressing contemporary issues. The team's work focuses on the use of anamorphic maps and digital technologies.
Sept. 2009 > Nov. 2014	**Teaching** at *College of Humanities*, EPFL, Lausanne, Switzerland. I was teaching assistant in three weekly Master's level classes: *Geopolitics and Politics of Globalization*, *Internet: Social Issues*, *Global Issues* and *The Image of Nature*.

Education

Nov. 2014	**Doctoral degree**, doctoral program in Architecture and Sciences of the City, Swiss federal institute of technology in Lausanne (EPFL), Switzerland.
Sept. 2009	**Master's degree** in geography, specialization in GIS, spatial planning and computer sciences, University of Toulouse II-Le Mirail + Institut National Polytechnique de Toulouse (INP), France.
August 2007	**Bachelor's degree** in geography and spatial planning, Humboldt University, Berlin, Germany.

Languages, Computer and Cartographic Skills

French: native speaker. **English and German**: working proficiency. **Spanish**: basic skills.
Web: HTML5, CSS3, JavaScript, PHP5, SQL, SVG, JQuery, MySQL…
UI and cartographic libraries: d3.js, Leaflet, Bootstrap, JQueryUI, OpenLayers…
Desktop softwares: QGIS, ArcGIS 10, MapInfo 11, Adobe Creative Suite 6, Inkscape, GIMP, PhilCarto, FileMaker…
Office: LaTex, R, iWork, OpenOffice, Microsoft Office.

Selected publications and communications

2015   **Conference talk**: Luc Guillemot (April 2015), *Urbanity as a way of price*, Conference at the Association of American Geographers Annual Meeting, Chicago, USA.

      Scientific poster: Luc Guillemot (April 2015), *Buying In: Putting a Price on Urbanity in the Digital City*, Urban Affairs Association 45th Annual Conference, Miami, USA.

2014   **Thesis**: Luc Guillemot (2014), *Une fabrique de la société-Monde, Internet entre technique et politique mondiale [Making the World-society, Internet between Technics and Politics Worldwide]*,
Advisors: Prof. Jacques Lévy and Dr. Boris Beaude, EPFL,
http://infoscience.epfl.ch/record/203268.

      Radio Interview: Invited by Yves-Alain Cornu, journalist of the show *On en parle* on the Swiss national broadcast channel RTS, discussing the possible end of Net neutrality, 16 September 2014.
http://www.rts.ch/la-1ere/programmes/on-en-parle/6109841-la-neutralite-du-net-en-danger-16-09-2014.html.

      Journal article: Luc Guillemot (July 2014), "Vertiges du relativisme" [Vertigos of Relativism], *EspacesTemps.net*,
http://www.espacestemps.net/en/articles/vertiges-du-relativisme/.

2013   **Conference talk**: Luc Guillemot Boris Beaude (April 2013), *Internet, World Politics of a Space without Territory*, Conference at the Association of American Geographers Annual Meeting, Los Angeles.

      Book (all maps) in: Jacques Lévy (2013), *Réinventer la France* [Reinventing France], Fayard, Paris.

2012   **Journal article**: Luc Guillemot Jacques Lévy (November 2012), "L'espace-Obama, une victoire des réseaux sur les territoires" [Obama space, a victory of networks over territories], *EspacesTemps.net*,
http://www.espacestemps.net/en/articles/lespace-obama-2/.

      Conference talk: Luc Guillemot Boris Beaude (February 2012), *Dynamic Mapping of Time accessibility*, Conference at the Association of American Geographers Annual Meeting, New York, USA.

Journal article: Luc Guillemot   Boris Beaude (2012), "*Commuting Scales*, cartographie dynamique d'accessibilité temporelle" [Commuting Scales, Dynamic Mapping of Time accessibility], *M@ppemonde* 105, http://mappemonde.mgm.fr/num33/lieux/lieux12102.html.

2011   **Book (all maps)** in: Jacques Lévy (2011), *Europe, une géographie* [Europe, a geography], Hachette, Paris (with Elsa Chavinier).

Award and exhibition

2012   **Award**: I won the 2nd price at the geovisualization contest of the International Festival of Geography (FIG) in Saint-Dié-des-Vosges (France) for the application *Commuting Scales* (with Boris Beaude).

2010   **Exhibition**: "Little Big City", scientific exhibition part of the 2010 Biennale for Architecture, Design and Urbanism in Bordeaux (France), 5-6-7 May 2010. With Elsa Chavinier, Jacques Lévy   Boris Beaude. Curator: Djamel Klouche, architecture bureau l'AUC (Paris).

Participation on committees

February 2012
> present

I am **member of the editorial board** of the literary journal *Archipel*. I am one of seven members committed to the publication of a yearly issue with contributions from experienced and young writers. 2013 issue addresses the relation between literature and the city.

March 2011
> Sept. 2012

I was **Ph.D. representative** on the Architecture and Sciences of the City doctoral program steering committee. I was one of two delegates responsible for communicating and coordinating the activities of the doctoral student body.
